

Go to: www.ccsesaarts.org

Explore the [Classroom](#) tab.

Check out the VAPA component you are most comfortable with and see if there is something you can actually use in your classroom!

Spend a couple of minutes exploring the other components. You will find they deal a lot with disabled and ESL artists and their accomplishments.

Explore the [Success Stories](#) tab.

Select one of the core principles and check out one of the amazing stories.

Go to the [Toolbox](#) tab.

Watch the video in *The Middle School Visual and Performing Arts Content and Delivery Guide*. Look at the table of contents for the *Middle Grade Visual and Performing Art Guide*. *There are also lots of afterschool resources in this section.*

Go to the [Resources](#) tab.

Take a trip through the College and Career section. This could be useful for all grade levels. There are a lot of good advocacy sites listed here.

Go back to the [Toolbox](#) tab.

We will explore the [Arts Assessment Compendium](#) tab of the site together.
